PROJECT PROFILE

Palace Theatre Masonry/Roof Restoration
Constructed 1926
National Record of Historic Places
Greensburg, PA

1320 Seat Facility Constructed with

PROJECT ENGINEER: David Simpson of Allegheny Design Services, Morgantown, WV
OWNER: Westmoreland Trust, Greensburg, PA
CONTRACTOR: John Deklewa and Sons

PROJECT SCOPE:

Replace roof and rebuild deteriorated brick parapets. Upper sections of exterior brick walls were rebuilt and reanchored to secure backup material. Remaining portions of the exterior brick walls were secured with Helifix masonry anchors to compensate for deteriorated brick ties.

PROJECT VALUE: \$200,000

PROJECT COMPLETION: 2002
